

FINAL RESULTS

Welcome to our 9th annual basketball tournament!

Thank you for being a part of our tournament this year. Medals will be awarded to 1st, 2nd, and 3rd in all divisions except for the girls division this year. Since we have grouped the five teams together and there is a wide range of ages we will be awarding medals for all five places in the girls division.

The Trinity Lutheran and Heartland Lutheran Boosters Clubs would like to THANK all of the volunteers that are helping to make this tournament a success. Without their willingness to give of their valuable time this tournament would not take place. We hope to make this a fun tournament for all, give a chance for all to get experience playing basketball, and give all the opportunity to develop their skills. Please remember that the youth are here to learn and have fun and all workers are volunteering their time and effort to make this tournament a success for all.

Catch this year's results and pictures at www.icanphil413.com/hoops_classic.htm

Hope to see you all again next year!

Please Scream Praise

With 48 games being played this weekend, there is a chance that a referee may make a call that someone does not agree with.

The Hoops Classic has 9 people that have volunteered their services to referee the tournament games. Their number one concern is to provide a great atmosphere for your children to play and learn the game of basketball.

This weekend your team will miss a few shots, miss some free throws, and make a couple of bad passes. By the same token, the officials may miss a call here or there, or may see it differently than you do from the bench or up in the stands.

It is very easy to criticize. But this weekend, we hope that you will take a minute and thank the officials who have made their experience available to help our youth enjoy the game of basketball, and have some fun competing. **After all, that is what it is all about.**
